(Sold Separately)

Engineered to exceed e-sports standards, the ViewSonic® XG2701 enables you to respond to threats and dominate the competition like never before with its virtually instantaneous 1ms response time. This 27" monitor features AMD FreeSync™ technology for smooth, tear-free visuals during intense fast-paced action scenes. More than just a speed demon, this monitor ensures your competitive edge with a Game Mode feature and black stabilization functions that deliver heightened visibility and detail so you can see your opponents' every move. With a gamer-inspired ergonomic stand that features an integrated headphone hook and cable management functionality, the XG2701 has all you need to conquer your gaming and entertainment quests.

Key Features:

144Hz refresh rate

Ultra-fast response time

AMD FreeSync™ technology*

Low input lag for seamless gaming experience

Black stabilization for ultimate visibility
